

# IRONCLAD® ZERO WATT

## INH SERIES EXIT SIGNS

The Ironclad® Zero-Watt INH series provides rugged cast aluminum heavy duty frames with a 3/8" polycarbonate lens for more demanding correctional and institutional applications. As the name implies, this maintenance-free fixture is self-sustaining and runs up to 20 years with no batteries, no wiring, and zero electricity. Zero-Watt is recyclable at the end of its useful life.

### Specifications:

#### POWER SOURCE

- Non-electrical, internally illuminated by sealed tritium gas light sources
- Requires no external light source, electrical power, wiring or batteries 100% reliable, maintenance free and always on

#### ILLUMINATION

- Green light output for maximum visibility in emergency conditions 100 foot visibility rating

#### CERTIFICATION

- Tested, approved and listed by Underwriters Laboratories to UL924, and meets NFPA101 Life Safety Code

#### WARRANTY

- Limited warranty for the rated life of the product

### Certifications: UL924

#### Construction:

- Heavy-duty cast aluminum frame offered in single and double face (mounting bracket included with double face sign)
